Risk Management is not just for the Fortune 500 Companies

Personal Lines Consulting
Is your Personal Wealth at risk?

Premier's Personal Lines consulting practice is uniquely positioned to provide you **independent unbiased advice that helps you clarify your decisions.**

Premier Risk Management is an independent risk management consulting firm that works only for you and derives no income from either brokers or insurance carriers.

We are not brokers; we do not sell insurance nor represent insurance carriers.

We are Advisors!

Accomplishment. The proof of our capabilities is in our **bottom-line results.**

- Personal Property & Liability exposures should be a part of a complete **financial analysis.**
- **Personal Funds and Savings** may be at risk in the event of an Uninsured or Underinsured losses.
- Industry sources suggest that a team of trusted advisors include **non-sales P&C insurance professionals** to protect your personal wealth.
- In addition to removing the conflict of interest, **fee-based insurance consultants** have insights that can prove valuable beyond those who are working 'for the sale'.
- The insurance market place is a dynamic and **complex industry.** We constantly stay abreast of new insurance products, issues, and pricing trends.
